Spinach Salad

19

Layer in a bowl:

Fresh, cleaned and dried spinach leaves
Boiled eggs, sliced
French fried onions
Fresh sliced mushrooms
Hot Bacon Vinaigrette (recipe follows)

Hot Bacon Vinaigrette:

2 Eggs
1/4 c Sugar
2/3 c White Vinegar
1/3 c Water
1/2 ts Dry mustard
1 ts Salt
1/4 ts Pepper
12 Strips bacon
4 T Bacon grease

Beat the eggs together with a whisk or fork. Add the next six ingredients and blend well. Place in refrigerator. In a large frying pan, cook the bacon and save approximately 4 tablespoons of the grease in the frying pan. Crumble the bacon and set aside. Place the egg mixture in the hot grease and cook over medium heat for approximately 5 minutes or until the mixture becomes smooth and slightly thickened. Keep warm until ready to serve. Add the bacon crumbles as you serve it. (Placing bacon directly in dressing causes it to become soggy. Its much better crunchy!)

SCALLOPED POTATOES

Serves 14 to 20

- 3 pounds yellow potatoes, peeled, and sliced paper thin
- 1 clove garlic
- 3 cups milk
- 5 ounces Gruyère cheese
- 3 tablespoons unsalted butter, room temperature
- Salt and freshly ground black pepper
- 1 cup heavy cream

1. Heat oven to 325°. In a large saucepan, combine sliced potatoes and milk, and place over high heat. Bring to a boil, then reduce heat to low; cover, and simmer until potatoes just begin to get tender, about 3 minutes.

2. Meanwhile, grate cheese and set aside. Place a colander over a large bowl, and drain potatoes, reserving milk. (You should have 2 cups of thick, starchy milk. If potatoes have absorbed more than 1 cup of milk, you must add enough milk to bring the reserved milk volume to 2 cups.)

3. Rub a 3 1/2-quart oval casserole with garlic and butter. Arrange sliced potatoes in the casserole in two layers, and season with salt and pepper to taste. Dot with remaining butter and pour in the reserved cooking milk and cream. Scatter grated cheese over the top.

4. Place casserole in the lower third of the oven, and bake until the cheese has turned deep golden brown and the milk has reduced and thickened, 80 to 90 minutes. Remove from oven, and serve immediately.

Vanilla Cream Pie

- $\frac{3}{4}$ cup sugar
- $\frac{1}{3}$ cup all-purpose flour
or 3 tablespoons cornstarch
- $\frac{1}{4}$ teaspoon salt
- 2 cups milk
- 3 slightly beaten egg yolks
- 2 tablespoons butter or margarine
- 1 teaspoon vanilla
- 1 9-inch baked pastry shell
- 1 recipe Meringue

OVEN 350°

In saucepan, combine sugar, flour, and salt; gradually stir in milk. Cook and stir over medium heat till mixture boils and thickens. Cook 2 minutes longer. Remove from heat.

Stir small amount hot mixture into yolks; return to hot mixture; cook 2 minutes, stirring constantly. Remove from heat. Add butter and vanilla; cool to room temperature. (To prevent a crust from forming, put clear plastic wrap or waxed paper directly on top, touching surface of the hot pudding clear to sides of bowl.) Pour into baked pastry shell.

Meringue: Beat 3 egg whites with $\frac{1}{4}$ teaspoon cream of tartar and $\frac{1}{2}$ teaspoon vanilla till soft peaks form. Gradually add 4 tablespoons sugar, beating till stiff peaks form and all sugar is dissolved. Spread atop pie, *sealing* to pastry. Bake in moderate oven (350°) about 12 to 15 minutes, or till meringue is golden. Cool.

Banana Cream Pie

Slice 3 bananas into cooled 9-inch pastry shell; top with Vanilla Cream Pie filling and Meringue. Bake as directed.

Crumb Crusts

Graham-cracker Crust: Combine $1\frac{1}{2}$ cups (18 crackers) fine graham-cracker crumbs,* $\frac{1}{4}$ cup sugar, and $\frac{1}{2}$ cup melted butter or margarine. Mix well. Press firmly in unbuttered 9-inch pie plate. Bake in moderate oven (375°) about 8 minutes or till edge is lightly browned. Cool.

If you prefer an unbaked crust, chill crust till set about 45 minutes; then add filling.

*For crumbs in a jiffy, buzz graham crackers in your blender for a few seconds. Or use packaged graham-cracker crumbs.

Meringue (for 9-inch pie)

- 3 egg whites
- $\frac{1}{2}$ teaspoon vanilla
- $\frac{1}{4}$ teaspoon cream of tartar
- • •
- 6 tablespoons sugar

Beat egg whites with vanilla and cream of tartar till soft peaks form. (Whites will whip fluffier if they are at room temperature.) Gradually add sugar, beating till stiff and glossy and *all* sugar is dissolved—pictures 1 and 2.

Spread meringue over filling (at room temperature), sealing meringue to edges of pastry all around—see picture 3. This prevents shrinking.

Bake in moderate oven (350°) 12 to 15 minutes, or till peaks of meringue are golden brown.

Meringue for 8-inch pie: Use 2 egg whites, $\frac{1}{2}$ teaspoon vanilla, $\frac{1}{4}$ teaspoon cream of tartar, and 4 tablespoons sugar. Follow the directions given in above recipe.

Dough

Grind the anise seed. Put flour in a large bowl and mix in anise, mahleb, and nutmeg. Warm the milk, add sugar and yeast, set aside until yeast dissolves. Beat the egg and add to it the oil. Add the egg to the milk. Gradually pour the liquid into the flour, mixing to incorporate. Add the beer and knead until dough becomes smooth and does not stick to your hands. Cover with plastic wrap, then a towel, and set in a warm place to double in size, about 1 hour.

Syrup

Dissolve sugar in water and bring to a boil. Simmer for approximately 20 minutes. Remove from heat and add the lemon juice and orange blossom water. Set aside to cool.

Assembly

Heat oil (approximately 1 inch deep) in a heavy skillet. Use a little oil or butter on your hands and pinch off pieces of dough about 2 inches in diameter. Stretch and pat them into 2 x 5 inch pieces (about the size of a long john). Poke a hole through the center of each one to ensure even cooking.

Drop the fritters into the hot oil and fry until one side is golden brown; turn and fry the other side. The dough will puff while cooking. Fry only enough at one time to fit comfortably in the skillet. Dip into cooled syrup and drain on cooling rack.

Variation

Sprinkle the fritters with sugar while hot instead of dipping them into syrup.

Kibbee 'n Spice and Everything Nice

Blueberry Scones with Lemon Glaze

Recipe courtesy Tyler Florence

Show: Food 911

Episode: B&B Breakfast

Blueberry Scones:

2 cups all-purpose flour

1 tablespoon baking powder

1/2 teaspoon salt

2 tablespoons sugar

5 tablespoons unsalted butter, cold, cut in chunks

1 cup heavy cream, plus more for brushing the scones

1 cup fresh blueberries

Lemon Glaze:

1/2 cup freshly squeezed lemon juice

2 cups confectioners' sugar, sifted

1 lemon, zest finely grated

1 tablespoon unsalted butter

*2 + 61 spoons unsalted butter
2 cups powd. sugar
2 orgn. juiced zested*

Preheat the oven to 400 degrees F.

Sift together the dry ingredients; the flour, baking powder, salt, and sugar. Using 2 forks or a pastry blender, cut in the butter to coat the pieces with the flour. The mixture should look like coarse crumbs. Make a well in the center and pour in the heavy cream. Fold everything together just to incorporate; do not overwork the dough. Fold the blueberries into the batter. Take care not to mash or bruise the blueberries because their strong color will bleed into the dough.

Press the dough out on a lightly floured surface into a rectangle about 12 by 3 by 1 1/4 inches. Cut the rectangle in 1/2 then cut the pieces in 1/2 again, giving you 4 (3-inch) squares. Cut the squares in 1/2 on a diagonal to give you the classic triangle shape. Place the scones on an ungreased cookie sheet and brush the tops with a little heavy cream. Bake for 15 to 20 minutes until beautiful and brown. Let the scones cool a bit before you apply the glaze.

Technically you should make this simple lemon glaze in a double boiler (i.e. over a pot of simmering water with a heatproof bowl set on top) but it's even simpler to zap it in the microwave. Mix the lemon juice and confectioners' sugar together in a microwave-safe bowl. Stir until the sugar dissolves. Add the lemon zest and butter. Nuke it for 30 seconds on high. Whisk the glaze to smooth out any lumps, then drizzle the glaze over the top of the scones. Let it set a minute before serving.
